

## SIX-WEEK SUMMER INTENSIVE 2018

The Summer Acting Intensive is a six-week program modeled after the full-time Two Year Certificate Professional Actor Training Conservatory. The acting faculty were trained to teach by Mr. Meisner himself, making the Meisner training practiced here closest to the original source and the intention of the technique. The curriculum includes acting, voice and speech, acting for camera, voiceover, physical theatre and dance. The summer program attracts an eclectic group of artists from around the USA and the world seeking serious and disciplined experience. Classes are held Monday through Friday between the hours of 9 am and 6 pm, 30+ hours per week approximately | 6 weeks.

### + Shakespeare for the Modern Actor with Sean Hagerty

In this unique class students will be immersed in the demands of Shakespeare's text and the particulars and challenges of classical technique for the modern actor. Through close study of Shakespeare's language, warm-ups, group-work, and monologues we reveal the tools to unlocking Shakespeare. By the completion of the course each student will have an audition-ready Shakespeare monologue which they will present to an industry professional for feedback.
